## MARKET REPORT

Wednesday May 27, 2026

Head Sold: 1688

Cows/Bulls: 448 Calves/Yearlings: 1240

We saw light calves about \$10 off this week from last well 6-8 weights held steady this week over last. With summer quickly coming upon us fat bawling calves are seeing a little pressure. We had good interest in bred cows today with the packer market holding strong and steady as we head into grilling season with a high demand for beef! Thank you to everyone who allowed us to work for them again this week!
